Meet the facilitator

Richard Harris

Richard Harris is a seasoned data governance and privacy consultant with over 25 years of experience helping organisations navigate the complexities of personal and sensitive information management. As a Manager in Scyne Advisory Risk, Privacy and Compliance team, Richard leads audit engagements with a focus on AI governance, cybersecurity, and data strategy.

He is a long-standing course facilitator for the Fundraising Institute of Australia, where he teaches “Protecting Donor Data” and “Building Data Frameworks for Fundraising Success.” His teaching style is pragmatic and inclusive, ensuring that learners—regardless of budget or technical background—can apply sound data practices in their organisations.

Richard holds a Master’s degree in Marketing Management from Macquarie Business School and is a Certified Information Privacy Manager (CIPM) through the International Association of Privacy Professionals (IAPP).
